Subject: Thank you for organizing the PFAS Summit

Hi Kelsey and Jim,

When I think of EPA around here, I think of you two, so I wanted to sincerely thank you for organizing the summit last night. I also wanted to comment on the professionalism of the EPA staff in the registration area. They were helpful to all of us wandering around trying to get a signal so we could call/text home.

I hope last night gave Administrator Dunn even more useful input for working to establish an acceptable federal drinking water MCL.

Enjoy the beautiful day we're having.

Best,
Liza McGuckin
